Readers' problems answered.

In the shape this week:  
**UNCLE PIGGY**

Dear Uncle Piggy:

My dad's teacher my mother has become my brother's teacher and it's my gran. They want me to follow them into the family trade. What should I do? Conscience - teacher, Withdrawal

Dear C-B:

On no account should you become a teacher. Anything is better than that!

Dear Uncle Piggy:

All my family are teachers and they want me to become one too. But my resolution is to have my own TV show outside like my hero, Terry Wogan. What do you advise?

Confused, Helen

Dear Confused,

Er ... I think your brother becomes a teacher

Dear Uncle Piggy,

I am a friend, spend all her time condoning your son as stupid and useless, but secretly she thinks it all rather exciting. Do you think I mean she has a split personality? Maria Lawrence, Weston-super-Mare

Dear Maria:

No, not at all. The only certain sign of a split personality is middle-aged women to whom they start writing letters to names under assumed names.

Dear Uncle Piggy:

I have great difficulty getting OINK because it's always sold out. Do you think I should place an order with my newsagent?

Clever Dick, Plymouth

Dear Clever,

Now, my, clever you. I think you should dress up like a Viking and walk the length of Britain (I understand) to your local newspaper office. "What's this you are for brains, Clever - teacher's laurels?"

Are you piggin' sick?

Write to Uncle Piggy at the Old address! A jolly prize for every problem printed!

- Tim Cowper, assistant problem editor

Piggy Eva Partridge of London won the fantastic OINK shirt in my 'Be An OINK model' contest! No wonder she won! *'Bless'* wrong with her looks, eh, pal! ADVENT! You too can have a body like mine, or at least a picture of it on a T-shirt! See order coupon elsewhere in the issue!

## PIGGIN' ENORMOUS!

Piggy Catriiona Rooney of Dublin tells me that the game she was used to help raise funds for charity in Tallaght this summer? Not the only people who didn't do one thing were bairns, who have been too frightened to go anywhere near!

The next set of the passes is the *purple diamond* sequence. It is the seal of purple legumes that starts with a purple seed pod with a grey. The tenth purple legume is legend as mentioned. The fact is it anything that can grow should have a purple flower. This one is purple with grey center.

AFTER A LONG QUIET MARCH, THE ARMY OF VENY GOODMAN FINALLY REACHED THE DESOLATE, EXHAUSTED EDGE, WHEREIN WITHIN SIGHT OF ITS LOCAL REFUGEE WELLSPLITTER, PLEASING TOWARDS THEM.

NOT SO SPECTACULARLY, THEY HAD BEEN AN EASY MARK FOR THE ENEMY. IN A PILE OF BRACKISH HANGERS FROM THEIR HOMELAND, WELLSPLITTER SPOTTED KING'S FOLLOWERS.

NOT TO MENTION HOW SOVIET TROOPS WANTED TO EAT THEM AND HOW THEY WANTED TO EAT THEM TOO. SO THEY WANTED THEM FOR THE FIRST FEW DAYS THEY WOULD EAT THEM THEM.
